Parent and Family Engagement Policy for Shared Student Success

Plan Revised: April 7, 2021

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Prescott South Middle will provide opportunities to improve family engagement to support student learning. Prescott South Middle values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Prescott South Middle will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Prescott South Middle School invites parents, teachers, and community members to family engagement meetings throughout the year to review and revise this parent and family engagement policy, our school-parent compact, and the family engagement budget. Additionally, family input and comments regarding this plan are welcome during the school year through the family-friendly survey, which is distributed online and through paper copies. The plan is posted on our school website for families to review during the year and will be used to revise the plan for the next school year.

What is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Prescott South Middle will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook and given to all students. The plan is also posted on the school website and social media. Parents can also retrieve a copy of the plan in the parent resource center located in the counseling center.

What is Title I?

Prescott South Middle is identified as a Title I School as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

Parent and Family Engagement

Prescott South Middle believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

School-Parent Compacts

As part of this plan, Prescott South Middle and our families will develop a school-parent compact. A compact is a written agreement that families, teachers, and students jointly develop to explain how everyone will work together to ensure all students read grade-level standards. The compacts will be reviewed and updated annually based on feedback from families, students, and teachers during various events and the annual Family-Friendly Survey. The school-parent compacts are also displayed in each classroom, are shared with parents during parent-teacher conferences, are posted on our school website (<http://www.prescottbulldogs.com/>), and extra copies are always available in the front office. If you would like to provide feedback on the compact any time during the year, please contact Paula Goehring or Joyce Key at (931) 528-3647 or goehringp@pcsstn.com / keyj2@pcsstn.com

Family Resources

Let your child's teacher, Mrs. Goehring, or Mrs. Key know if you would like to check out a family resource backpack! We will fill it with books and activities to use at home with your child. Computers are also available to explore the Powerschool Parent Portal and educational resources.

Prescott South Middle is committed to helping parents and family members attend the family events listed in this policy. Please call or email us if you need assistance with childcare or transportation in order to participate in any of our programs.

Prescott South Middle will take the following measures to empower and support parents and family members as an important foundation of our school in order to strengthen the school and reach our goals.

- ❖ Partner with early childhood programs, middle and high schools, college and career ready resources or organizations, parent resource centers, or other programs to help prepare parents and their children for successful school transitioning.
- ❖ Share information in English and Spanish in the announcements for families to understand the school's academic standards and assessments as well as ways families can monitor their child's progress and work with educators.
- ❖ Communicate with all families and the community on a regular basis regarding school-wide events and activities, through phone messages, our website, social media, and flyers.
